

## Bowl For Kids' Sake was smashing success

We are pleased to announce that Bowl For Kids Sake was a big success this spring, raising nearly \$13,000 for the agency. This annual fund-raiser took a few new turns this year as we held several different events.

It started with a High School Challenge that pitted the National Honor Society students from Lebanon and Springboro High Schools at Strike Zone Lanes in Franlin. Springboro edged Lebanon in therace to see who could raise the most money. Students Barb Peeler and Emily Smith tied forraising the most money at \$130.

On March 6, weheld a bowl-a-thon at Strike Zone for Warren County Supporters, and on March 27th we returned to Royal Z Lanes in Wilmington for our Clinton County volunteers and supporters.

Finally, we wrapped things up with a League Challenge that pitted League Bowlers from Strike Zone and Sarg's Lanes in Lebanon in competitions to raised the most money and roll the highest score in one game. Brenda Elbrecht raised the most money, and Benny Frith rolled the highest score.
