Changing The Way Children Grow Up In America***

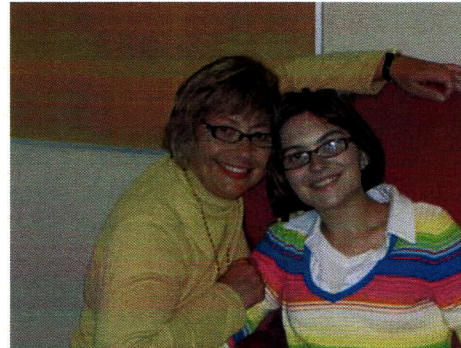

Dear Supporter:

Little Sister Amber and Big Sister Adrienne have been matched for over two years. Please take a moment to read how their involvement in Big Brothers and Sisters is making a difference in Amber's Life.

"Since being matched with Adrienne, I am not arguing as much with my family. I am learning new skills and am better at reading, writing, and spelling."-Little Sister Amber

"Amber is happier, more outgoing, and has blossomed into a different young lady. She has more interests, and feels like she fits in better."-Mom Tonya

"Amber is a wonderful kid who is full of energy and smiles. I enjoy watching Amber grow and change from a child to a young lady."-Big Sister Adrienne

Big Brothers and Sisters of Warren and Clinton Counties has been changing the way children grow up in America since 1978. By placing positive mentors in the lives of children through both our Community Based and School Based Programs, we are achieving our mission of helping children in need reach their potential through professionally supported, one-to-one mentoring relationships with volunteers.

As we come to the end of another successful year of serving approximately 160 youth of Warren and Clinton Counties, we are reaching out to ask you to help us continue our mission and realize our vision of providing successful mentoring relationships for all children who need and want them. Financial support from community members such as yourself is critical to the continuation of our Program.

As you make your holiday gifts this year, please consider donating to Big Brothers and Sisters and know that the dollars you give will make a difference in the life of a child and will last a lifetime.

Sincerely,

Tammy Stebelton
Executive Director
